

## **What We Teach Our Children**

**We teach our children that God is Life—the Life within each of them and in all creation; that children of the One God—regardless of race, color, or creed—are all brothers and sisters.**

**We teach that God is Good—all Good—and that we are centers of that Goodness and Love.**

**We teach that religion is to be used everyday, not just on Sundays.**

**We teach that “sin” is a mistake, and that when we make mistakes, we are punished by *them*, not by God.**

**We teach that God is Spirit and is present everywhere; that this Spirit is within us as our very own nature. It speaks through our own minds when we are willing to listen.**

**We teach that God is Truth, Beauty, Peace, Harmony, Joy,  
Wisdom, Love, Intelligence, and Abundance.**
